**Study: Meeting Jesus in the Gospel of John**

Who is Jesus? What do you BELIEVE about Him? What we BELIEVE about Him will ultimately change our hearts and minds and determine how we live our lives. John's Gospel was written "so that you may believe that Jesus is the Christ, the Son of God and that believing you may have life in His Name" (John 20:31). The purpose of this study is to increase our trust in Him so that we can more intimately meet Jesus and strengthen our fellowship with Him.

**EQUIPPING TRACK CLASS\***  
**Room E-5**

**Study: Basic Doctrines of Our Faith**

Every Christian should be familiar with the core doctrines of our faith. These doctrines form the foundation for what we believe, how we should live, and our hope for the future. In this class we will look at such doctrines as: *why we believe the Bible is true, why we believe in sin, why we believe that Jesus is the only way, and why we believe in heaven.* As we learn the essential beliefs of Christianity, it will not only strengthen our faith but give us confidence.

**Facilitators:** Pastor David Schuit  
Marc Sommer  
Pastor Howie Van Dyk, Jr.

**Room E-10**

**Study: Defending the Faith**

One of the biggest questions people have today is how the Bible and science interact. Can one believe in science and the Bible at the same time? Although the Bible is not a science book, it is in every way true to modern science. Knowing how modern science supports the Bible will help us better defend our faith. This semester Bill Thomson will be team teaching with Dr. Sabrie Soloman who is a respected scientist and professor at Columbia University.

**Facilitators:** Dr. Sabrie Soloman  
William Thomson

**DISCIPLES' CLASS**  
**Room E-11**

**Study: Lessons from the Pastoral Epistles**

These letters, written by Paul, are often thought to be helpful just to those in leadership in the church. Yet the qualifications for those in leadership are traits that every follower of Christ should pursue. All believers are called to a life of integrity – to be examples in the midst of ungodliness. Come, join us in this study as we learn how we can faithfully follow our Lord in every aspect of our lives.

Kenneth Ware, Jr.

**Study: The Book of Revelation**

The Book of Revelation is a reminder to us that world events happen for a reason and that God has a plan. The book provides reminders that God is still in control no matter how bleak things become. One reason people avoid the Book of Revelation is that they believe that it is too difficult to understand. That is not true. Rather, an understanding of the Book of Revelation will help you make sense of current and future events. Come early for fellowship, coffee, and bagels.
