ELECTIVE CLASS

Room E-3

Study: *The Holiness of God*

What is holiness? Holiness is the essence of who God is. Why is it so traumatic when sinful man comes into the presence of God and His holiness? The purpose of this class is to develop an awe and reverence for the living God by trying to grasp what it means for God to be holy.

Facilitator: Ken German

ELECTIVE CLASS

The Lower Chapel

Study: *Psalms, Hymns, and Spiritual Songs*

God gave us music so that we might sing praise to Him. We are also to speak to one another with their words. We will look at the poetry of the Bible, hymns of past generations, and the lyrics of contemporary Christian songs, as well as the stories behind them, in order to encourage our worship to God.

Facilitators: Daniel Mikola, Dante Apaestegui

THE OPEN STUDY

Room E-10

Study: *Bible Difficulties*

This semester we will be looking at apparent Bible difficulties, e.g., How did Judas die, how many angels were at the tomb, the Trinity, six-day creation, war, the virgin birth, world-wide flood, etc. There are so many questions: but by using Scripture, we will search for the answers. Come and help us find them.

Facilitators: Rod Innis, William Thomson

FELLOWSHIP CLASS

The Lounge

Study: *The Book of Revelation*

We are continuing our study of the Book of Revelation in order to gain an understanding of what the Bible says concerning current and future events. This book also reminds us that world events happen for a reason, and that God is still in control no matter how bleak things are today. Come early for fellowship, coffee, and bagels.
