

Hello Band Member!

We are excited to have you join us! This is a great opportunity to learn to be part of a team, improve musically, and most importantly grow closer to God through music! Our team is headed by two of our leaders, Christal Rolling and David Tierney. If you ever need to talk, have a suggestion, or can't make a practice please let us know!

Due to the size of our growing band, and to respect other commitments you may have, we will not have everyone play every single week. Attached is a band schedule outlining what songs we will be doing along with who will be playing/singing each week. Keep this schedule in a place you can see it (i.e your fridge) and remember to let us know if you can't make it so we can reschedule you.

Now, we understand that this may be your first time being in a band and we're excited for that! If you do feel nervous about playing during youth group, we would love it if you to come and practice with us and then decide if you would like to play for the "real thing". Naturally, we will encourage you to play but we will never force you to play.

We typically do 3-4 songs each week and our band consists of students and leaders. We ask for band members who are playing that day to come at 6pm on Friday so we can promptly start by 6:15pm. This gives us plenty of time to practice chords, ask/answer questions, and do a group prayer time at the end.

I know this is a lot but please don't be overwhelmed! Most importantly, we are excited to have you join us and for us to grow together as believers in Jesus, to grow musically, and to grow as a team and as individuals!

Again, if there are any concerns at all, do not hesitate to send David or Christal a text or email or to grab us at youth group.
